

Project Initialization and Planning Phase

Date	03 July 2024
Team ID	740011
Project Name	Thyroid Classification using ML
Maximum Marks	3 Marks

Define Problem Statements (Customer Problem Statement Template):

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love. A well-articulated customer problem statement allows you and your team to find the ideal solution for your customers' challenges. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

I am A thyroid	I'm trying to Survive and regain health	But My condition is severe	Because receiving prompt and effective treatment	Which makes me feel Optimistic about recovery
-----------------------	--	-----------------------------------	---	--

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	A thyroid patient	Survive and regain health	My condition is severe	Receiving prompt and effective treatment	Optimistic about recovery
